FW22 RELIVE

**Change is not a given.
It is on us to make it happen.
We are changing the fashion industry.
With fair working conditions and
sustainable materials.
One piece of clothing at a time.
Join the movement.
Be the change.**

Die Herbst/Winter Kollektion 2022/23 RELIVE ist von der Vielfältigkeit unserer Natur inspiriert und kombiniert ein nostalgisches 70er-Jahre-Gefühl mit einer modernen Interpretation. Satte Grüntöne und geerdete Nuancen wirken wie ein Blick in herbstliche Naturlandschaften. Lebendige Töne wie Dark Pink und Rusty Orange setzen spannende Akzente. Mit drei Textilien, welche aus Fasern von recycelten Kleidungsstücken oder Stoffresten bestehen, ist Zirkularität ein wichtiges Thema über alle drei Drops hinweg. Modische Highlights sind Karomuster, Cord-Looks sowie florale Prints – authentisch, fair und eco.

The fall/winter collection 2022/23 RELIVE is inspired by the diversity of our nature and creates a nostalgic 70s feeling in a modern interpretation. The collection's color palette of rich greens and grounded hues looks like a glimpse into autumnal natural landscapes which are accented by vibrant tones like dark pink and rusty orange. With three textiles made from recycled garment or leftover fibers, circularity is a major theme across all three drops. Alongside our eco-friendly materials, check patterns, allover cord looks as well as floral prints are featured in the collection - authentic, fair and eco.

NACHHALTIGKEIT

SUSTAINABILITY

Wir haben uns einer transparenten, ethischen Lieferkette verschrieben. Kern unseres nachhaltigen Ansatzes ist es, in Europa mit zertifizierten Materialien aus fairem und biologischem Anbau zu fertigen. So halten wir die Lieferwege kurz, profitieren von einer direkten Kommunikation mit unseren Partnern und können uns regelmäßig und persönlich ein Bild von den Arbeitsbedingungen vor Ort machen.

We are committed to building a transparent, ethical supply chain. Organic materials and "made in Europe" lie at the heart of our sustainable approach. Manufacturing in Europe allows us to keep delivery routes short, stay in touch with our production partners and obtain exact, first-hand pictures of the working conditions on sites.
