NACHHALTIGKEIT

SUSTAINABILITY

Wir haben uns einer transparenten, ethischen Lieferkette verschrieben. Kern unseres nachhaltigen Ansatzes ist es, in Europa mit zertifizierten Materialien aus fairem und biologischem Anbau zu fertigen. So halten wir die Lieferwege kurz, profitieren von einer direkten Kommunikation mit unseren Partnern und können uns regelmäßig und persönlich ein Bild von den Arbeitsbedingungen vor Ort machen.

We are committed to building a transparent, ethical supply chain. Organic materials and “made in Europe” lie at the heart of our sustainable approach. Manufacturing in Europe allows us to keep delivery routes short, stay in touch with our production partners and obtain exact, first-hand pictures of the working conditions on sites.
